

“Soup and Salad” Fellowship Dinner
There’s a Signup Sheet for March-April 2018
In the Kitchen

Two couples (or, perhaps one couple and 2 singles) will be paired up; and will meet once a month during each of the months of March and April, 2018 - and each “team” will invite someone else (a third couple/single(s)/ or family, whom you have not invited before) to join you each time you meet. Only rarely, depending on special circumstances, would you consider asking the same person(s) to join you for both months. We suggest that you consider meeting in your homes if that works for you, and that you “keep it simple” A simple soup and salad meal would be great! But, we realize that this may not be the best option for all of you; in which case your options are endless. In addition to meeting in your home for a simple meal like soup and salad; you could go out to an inexpensive restaurant (or a picnic during the warmer months). And, depending upon your schedules, your get-togethers could be any day of the week (for breakfast, lunch, dinner, or perhaps just dessert or coffee some evening). We have many people in our church who (for various reasons) have not really connected; and we know that they will probably leave at some point if they do not develop friendships and feel more connected to the Body. We also have people in our church we could encourage, or help in some way, or simply get to know better. So, what we are attempting to do via these gatherings is important, and we thank each of you who will be participating in this ministry. If you have any questions or need additional information please contact Brad (801-833-4036) or Judy (801-971-6003) Evertsen or bradandjudy@gmail.com or Don Stone (801-971-9364 or donfstone@yahoo.com. **Note: We are assuming that those who participated in Jan.-Feb. will want to continue in March-April (So, Let us know if you don't want to do it anymore, and we'll take your name off). And, if you are not involved currently, but would like to be in March-April, please let us know by signing up in the Kitchen.**
